In exercise of the power conferred on him under section 4 (3) of the Madras Abkari Act, 1886, the Commissioner of Excise hereby prescribes, under section 24 of the Act, the following rules for regulating the issue of licences on fixed fees for the compounding, blending, bottling and sale of potable foreign liquors, locally made 'foreign liquors' and coconut toddy arrack and for the grant after the 1st April 1934 within the limits of the Madras Presidency :—

1. The term 'foreign liquor' in these rules includes all wines, spirits and beer imported into the Presidency by sea or land ; plain rectified spirits imported or locally made and on which the tariff rate of duty has been paid ; and beer brewed in India or beer imported in a condemned form and afterwards converted into potable beer and duly excised, but excludes locally-made 'foreign' liquor, denatured spirits, coconut toddy arrack and country arrack. In the case of licenses to clubs, messes and other approved firms or persons, however, for the sale of pure rectified spirits only, the term 'foreign liquor' means pure rectified spirits imported from foreign countries by sea or manufactured in this country and excised at the tariff rate of duty.

"Locally-made 'foreign' liquor" is spirit manufactured or compounded in British India and made in colour and flavour to resemble gin, brandy, whisky or rum imported from foreign countries and includes 'ruski punch' and other liquor into the composition of which only such spirit enters. It is excised at Rs. 21-14-0 per proof gallon ; its sale is permitted in all foreign liquor shops except those licensed for the exclusive sale of beer, medicated wines and rectified spirits.

'Coconut toddy arrack' is spirit manufactured from toddy at the Chowghat distillery in Malabar and excised at Rs. 21-14-0 per proof gallon ; its sale is permitted in all foreign liquor shops except those licensed for the exclusive sale of beer, medicated wines and rectified spirits.

It will at all times be optional with the Collector to withdraw licences of this description if it should appear that the sale of liquor to persons who have not partaken of meals in the refreshment-room is permitted to such an extent or so habitually that the refreshment-room may fairly be classed as a tavern. Sale of liquor for removal from the premises will not be allowed under these licences. The premises to be used for the sale of liquor under these licences must be at least of the monthly rentable value of Rs. 50 in Madras and in Cocanada and Coonoor Municipalities and of Rs. 25 in the rest of the Presidency.

Such fine shall be paid within seven days of its imposition. The Collector or the Assistant Commissioner may also levy a penalty not exceeding Rs. 20 for every day on which the total tonnage supplied falls short or in the maximum prescribed in the agreement or such larger tonnage as is demanded by the department in accordance with the terms of the agreement or if the boats are in the officer's opinion unnecessarily delayed in transit.

SALE OF RIGHT OF FISHING.

NOTICE is hereby given that the right of fishing in the sources described in the schedule below for a period of three years from 1st March 1934 to 28th February 1937, will be resold in public auction by the Assistant Engineer, Public Works Department, Ranipet, at the Inspection Bungalow, Kaveripauk Tank Bund, on the 15th day of February 1934 at 10 o'clock subject to the conditions hereinafter set forth.

Conditions of sale.

I. Any person intending to bid must deposit a sum of Rs. 100 with the rolling officer on or before the date of sale. No person will be admitted to the auction room unless he has made the deposit. No one will be allowed to bid for another person unless he holds a power-of-attorney from him. The sale will ordinarily be knocked down to the highest bidder, but the right is reserved to the officer conducting the sale to reject any bid without assigning any reasons therefor. The deposits made by unsuccessful bidders will be returned to them at the close of the sale. The sale will not be considered as completed unless it is confirmed by the Executive Engineer, North Arcot Division who reserves the right to refuse to confirm the sale without assigning any reasons therefor. The successful bidder will not be permitted to do any act under the lease until the sale is confirmed by the Executive Engineer, North Arcot Division, and until conditions II, III and IV below are fulfilled.

II Immediately after a bid is accepted by the officer conducting the sale, the successful bidder shall deposit on the spot a sum equal to 25 per cent of the lease amount for one year if the lease is for a period of one year or more, or 25 per cent of the total lease amount if the lease is for a period of less than one year. In doing so, he may deduct the initial deposit made by him under condition I.

III The successful bidder shall, within seven days of the date of receipt of the order of confirmation by the Executive Engineer, North Arcot Division, make a deposit of the remaining 75 per cent of the lease amount for one year if the lease is for a period of one year or more, or of the entire balance of the total lease amount if the lease is for a period of less than one year, and execute an agreement in the annexed form and get it duly registered at his own expense.

IV. The successful bidder shall, within the same time, deposit as security for the due fulfilment of the conditions of the lease a sum equal to 5 per cent of the total lease amount for the entire period of the lease. This sum will be refunded to him on the expiry of the said period if the conditions of the lease have been duly fulfilled.

V. The officer conducting the sale may hold two sales for the same fishery—one for one year or less and the other for three years. The officer authorised to confirm the sale under clause I may, at his discretion, confirm either of these sales. In cases where the lease is for a period of more than one year, the lease amount for the last year of the lease will be adjusted from the deposits made under conditions II and III above and the lease amount for each of the other years should be paid in equal monthly instalments before the 10th of each month and commencing from the month of April 1934.

VI. In the event of failure on the part of the successful bidder to comply with all or any of the conditions II, III, IV and V above, the sale will be cancelled, the right of fishing resold and the deposits already made will be forfeited. Results under this condition will be at the risk of the defaulting bidder who will have no claim to the profit, if any, on account of such resale, and, in the event of loss, will be required to make good the difference between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposits will be deducted from the amount of loss arising from the resale and the remainder, if any, with interest at 12 per cent per annum will be recoverable from him. Should, however, the forfeited deposits exceed the amount of loss by resale, the whole of such deposits will be credited to Government.

Conditions of Auction Sale.

I. Any person desiring to bid must deposit Rs. 20 with the selling officer on the day of sale, but discretion is given to the selling officer to reduce the deposit to Rs. 10 when necessary. In Madras City the deposit to be made by each bidder will be Rs. 50. No one will be admitted to the auction room unless he has made this deposit. No one may bid for another person unless he holds a power-of-attorney from him. No shop will be knocked down in the name of two or more persons. In the case of a duly recognized company or firm an agent duly authorized by a power-of-attorney, or any officebearer empowered by the articles of association or similar rules, may bid for and act on behalf of the company or firm. Deposits made under this clause will be returned on application to unsuccessful bidders at the close of the day's sale.

Note.—In Madras City the deposit must be paid into the Bank hereinafter and the challan for such payment produced before the selling officer. Deposits will be refunded under the orders of the selling officer to unsuccessful bidders at the close of the day's sale on production of the challan at the bank office.

II. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground (1) that he has been convicted by a criminal court or has previously been guilty of such a breach of the conditions of license or of a contract under the Abkari or Opium Act as to render him undesirable as a holder of a licence; or (2) that he is insolvent or in arrears to Government; or (3) that he bid in purely speculative; or (4) that he is a village officer or a relative of a village officer of the village in which the shop is situated or which is supplied by the shop or of a neighbouring village; or (5) that he is a contract supplier of country spirits for the contract area within which the shop is situated; or (6) that he is a brewer or agent of a brewer (other local or foreign) holding for any shop in which beer is sold for consumption on the premises; or (7) that such a course is necessary to prevent arrangements to the detriment of Government interests; or (8) for any other valid reason.

III. The reserve price placed on each shop will not be published but the average annual rental during the previous five years will be notified by Collectors, wherever possible, for the information of bidders. The selling officer will fix the upset price of each shop.

IV. The shops will be put up to auction in the order in which they are notified unless the selling officer sees reason to change that order.

V. The highest bid will be provisionally accepted by the selling officer subject to confirmation by the Collector. Such subsequent confirmation after the close of the sale will be necessary even if the selling officer is the Collector himself. The Collector will be at liberty to accept or reject any bid at his discretion. If the selling officer before the close of the sale rejects under condition II the highest bid for any shop he may at his discretion either accept the next highest bid or resell the shop. In case of dispute the selling officer's decision will be final.

VI. (*a*) Every person whose bid is provisionally accepted shall—

(i) at once, if so required by the selling officer, or otherwise at the close of the day's sale, deposit, in addition to the deposits made under clause I, half a month's rent for each shop knocked down to him, unless the instal deposit equals or exceeds two months' rent;

(ii) at once apply in writing for a licence for each shop knocked down to him and within a week thereafter furnish the Tahsildar with the boundaries of the site granted by him for the location of the shop and a statement in the prescribed form (annexed to this notification) showing details of the immovable property possessed by him, or in which he has an interest together with security and full details of encumbrances, etc., thereon;

(iii) within fifteen days from the date of sale deposit such further sum as with the deposits already made under sub-clause (i) *supra* will make up two months' rent of all shops knocked down to him.

(*b*) Further if the Tahsildar is not satisfied that any such person can be trusted to pay his rent punctually and

fault, he may require him, in addition to the deposits required under clause (a) (iii) supra, either

(i) to re-sell two months' rent of all shops knocked down to him, or

(ii) to execute a mortgage of his immovable property in favour of the Government for all moneys that may become due under the terms of the contract with a power of sale in favour of the mortgagee to be exercised in default of payment thereof by the purchaser, or

(iii) to produce a surety or sureties, to be accepted by the Tahsildar, who should execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract and to execute a mortgage deed of his or their immovable property in favour of the Government for the payment of all moneys due under the said contract by the purchaser with a power of sale in favour of the mortgagee in default of payment thereof, by the surety or sureties or by the purchaser, or

(iv) if the Tahsildar is not satisfied that the value of his immovable property tendered as a security is adequate, he may require such person further to produce, in addition to mortgaging his property, a surety or sureties to be approved by the Tahsildar, who shall execute a security bond for the balance of the money that may become due and execute a mortgage deed of the surety or sureties' property in favour of the Government. The sureties referred to in sub-clauses (iii) and (iv) should submit to the Tahsildar a statement in the prescribed form annexed to the notification showing details of their immovable property.

The purchaser shall be bound to carry out the provisions of sub-clauses (i) to (iv) above within fifteen days from the date of sale.

The bond and the mortgage deeds shall be stamped and registered at the expense of the purchaser. He shall also be bound to execute a counterpart agreement. The bidder or his surety must produce at the sale an encumbrance certificate in cases where immovable property is mortgaged to Government.

VII. Deposits will be returned in any case in which the Collector refuses to confirm the acceptance of the bid.

VIII. At the close of the day's sale the selling officer will notify the date on which resales, if any are found necessary, will be held; when the list of shops to be resold has been drawn up, a copy of it will be sent to any bidder who gives his name and address to the Tahsildar.

IX. The order of the Collector confirming or refusing to confirm the acceptance of a bid shall be final unless it is revised by the Commissioner for special reasons. In the event of any original bid not being confirmed by the Collector for the reason that it is inadequate, the resale should begin with the bid provisionally accepted by the selling officer at the original sale and in the name of the individual who offered that bid.

X. On the failure of any person to make a deposit or apply for a license under condition VI or to comply with any requisition or to execute any agreement under condition VI, the shop may be resold under the orders of the Divisional Officer or on a report from the Divisional Officer may be otherwise disposed of by the Collector. Resales under this condition will be at the risk of the defaulting bidder, who will forfeit all gain and, in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the deposits already made by the defaulting bidder will be forfeited and deducted from the loss arising from the resale, and the balance of the loss, if any, will be recoverable in the same manner as if it were an arrear of land revenue. Should however the deposits be greater than the loss by resale, only such part of the deposits as is necessary to cover loss by resale will be forfeited and the balance refunded to the defaulter. The defaulting bidder will be similarly liable if the shop is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale. Disposal otherwise than by resale includes closure.

XI. The purchaser of any abkari or opium privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal licence may not have been issued to him. In the event of the purchaser's death after issue of the licence, his heirs and assigns shall be responsible for all moneys that may become due to Government under the terms of the licence as well as for the proper observance of all the conditions of the licence.

XII. The deposits under condition VI (a) (iii) and (b) (i) may be made either in cash or in recognized Government, Port Trust, Municipal or Local Board securities, or by depositing Postal savings bank pass books or deposit certificates obtained from the Provincial Co-operative Bank (Madras Central Urban Bank) or from any of the Central Banks approved by the Registrar of Co-operative Societies. Where deposits are made otherwise than in cash, the Collector may demand that they shall be of such higher face value than the cash deposit required as in the circumstances of the market he may think necessary. Where the deposits under the conditions are sufficient, under the Collector's orders, to cover also deposits made in cash under conditions I and VI (a) (i) which have not been refunded as well as deposits due under condition VI (a) (ii) and (b) (i) the deposits made in cash may be returned to the depositors. Renters who have made the deposits under condition VI (a) (iii) and (b) (i) in the form of deposit certificates obtained from any of the Central Banks mentioned above or in cash may make a formal requisition to the Treasury Officer or Sub Treasury Officer as the case may be to transfer the cash deposits made by them under conditions I and VI (a) (i) or under conditions I, VI (a) (i) and VI (a) (ii) and (b) (i) to the fixed deposits in the Central Bank in the name of the Tahsildar. The Treasury Officer or Sub-Treasury Officer as the case may be will endorse the requisition on to the Bank and inform it that when the Bank gives the necessary formal receipt, he will hand over the amount to the representative of the Bank duly authorized to receive it, or will remit it by postal money order or insurance cover to the Bank.
